- 10/10 Great TA! Ish was extremely helpful whenever I reached out. He always responded quickly with great responses and very intuitive explanations. Fantastic at communicating concepts and leading students in the right direction for homework's / project.
- Always ready to answer questions and prompt response
- Great at explaining things in a simple manner, was very detailed with the two lectures he conducted. He took time out to clarify everyone's questions and has very good knowledge of the subject.
- He is very helpful, and explains everything in detail. He is very patient, and answers doubts very quickly on Piazza.
- Ish has a really solid knowledge about signal processing for this class and is patient in helping my homework as well as project. And he is willing to assign an on demand office hour to help.
- Ish is extremely dedicated and committed to any task he is given and being a TA is no different. He is very diligent, thorough and truly cares that all students he mentors learn from him. He is not only very knowledgeable but also goes beyond expectations to help students resolve their questions. He is available at any time to solve our doubts and answer questions. The best TA I have met in my experience from 3 different graduate schools in the US!
- Really smart and technical
